

# What can you do to help our watershed?

---

Circle those that you might do and write in your own ideas too!

Tell others what you've learned about the river

Put litter in its place

Turn off unused lights

Invent something great

Recycle bottles, cans and paper

Donate old toys and clothes for re-use

Help at a creek clean-up

Build a birdhouse

Visit a local farmers market

Turn off water you're not using

Help plant a school garden

Bury an acorn

Celebrate the earth every day!

Use a refillable water bottle

Become a scientist

Remind adults to reuse shopping bags

Walk to school
