**HERE'S AN  
ANIMAL ART  
IDEA!**

## ALEBRIJE-INSPIRED ART

*Alebrijos* are brightly colored Mexican folk art sculptures of fantastical (fantasy/mythical) creatures. The first *alebrijos* originated with Mexico City artisan Pedro Linares. *Alebrijos* often have exaggerated body parts, such as long ears or big eyes.

**Draw an outline of a rabbit or any other animal!**

**Turn your animal into a fantastical creature!**

Add repetitive colorful dots, lines, and shapes. Make the ears longer or add parts from other animals such as wings or antennae.

**Make your animal come alive as a puppet.** Simply cut it out and tape it onto a straw or stick. Create and tell a story about your newly invented animal. What is its name? What special powers does it have? What does it like to eat? Where does it live?

# MAKE A TREAT FOR YOUR PET!

*Bake a healthy snack for your dog or chicken!*

## INGREDIENTS

(makes 12 pupcakes)

*For the cakes:*

- 1 1/2 cups all purpose flour
- 1/2 tsp cinnamon
- 1 tsp baking soda
- 1/2 tsp baking powder
- pinch of salt
- 2 Tbsp coconut oil melted
- 2 Tbsp applesauce
- 1 cup plant-based milk (such as oat milk)
- 1 tsp apple cider vinegar
- 1 cup pureed vegetables (pumpkin, sweet potato, carrots)
- 1/2 cup maple syrup

*For the icing:*

- 4 oz vegan cream cheese
- 1/4 cup peanut butter

## INSTRUCTIONS

Preheat oven to 350°F.

Put all ingredients in a blender and mix.

Pour dough into cupcake pan lined with baking paper cups.

Bake for 15-20 minutes. Cool cupcakes on cooling rack.

Meanwhile, mix the vegan cream cheese and the peanut butter together.

Once the cupcakes are cool, put icing on top using a pastry bag with a decorative tip (if you don't have one, you can spread it with a small spatula).

Enjoy with your pup!

## About This Recipe

Isabelle Cnudde, founder of Clorofil, an all-volunteer animal advocacy nonprofit and micro-sanctuary in Los Altos created this recipe! As a humane educator, Isabelle gives talks about the plight of farmed animals and encourages a plant-based lifestyle. She also rescues chickens and educates the public about their care.

## RESOURCES FOR PETS & ANIMAL LOVERS

**PALO ALTO  
HUMANE  
SOCIETY**

**Palo Alto Humane Society** is one of the few humane societies nationwide with no animal shelter. Instead of managing animals inside a shelter, PAHS works to keep animals out of the shelter through humane programs in intervention, advocacy, and education.

**San Jose Animal Care Center** is part of the City of San Jose's Animal Care & Services (ACS). Learn how to donate to a shelter, view pets to adopt, and how you can volunteer including fostering pets.

**The Dancing Cat's** cage-free environment provides previously homeless adult cats a place to wander and play. Given a chance for their authentic kitty natures to emerge, they can find wonderful forever homes, and leave the shelter behind.
